..ooo..

At present there are two Science Assistant's posts which are to be filled up on permanent basis. Inspite of advertisements no applications were received from qualified hands. Sri. T. Sundaresa Bhat, B.A., is proposed to be sent up for training to fill up one of the above said vacancies. Out of these two vacancies one post will be reserved to Sri. T. Sundaresa Bhat and any candidate appointed will be only on temporary basis without rights of probation. This will not cause some hardship to the fully qualified candidates who may apply during this year. Moreover there is no possibility of getting qualified hands in these days when the demand for qualified hands are increasing.

So I beg to request that early orders may be passed in the matter.

Secretary's query on p. 2 ante.

Submitted that in the case of establishment under Municipal Councils there are no communal rotation rules. The normal method of recruitment to the L.T. or B.Ed. grade is direct recruitment, subject to the rule of preference introduced by G.O. No.1886 Edn., dated 18-12-44. This rule of preference is being amplified to the effect that a trained graduate who has not completed his probation in the lower grade in a secondary school or who is employed in any elementary school under the Municipal Council will also be eligible for appointment to the L.T. or B.Ed. grade as a direct recruit. The Commr. Hospet Municipality states that there are four B.T. vacancies in the Municipal High School and that trained teachers are not forthcoming to accept the posts in spite of advertisement in the papers. It seems therefore that the Ml. Council will be able to appt. Sri T. Sundaresa Bhat as a B.T. Assistant after he finishes the training. It is however for consideration whether this should be definitely ascertained from the Commr. Hospet Mcty.

The draft order on pages 1-2 above and the notes following may be perused.

2 The Hospet Municipal Council proposes to depute a candidate, who is a former student of the Hospet Municipal High School, for training in the B.T. or L.T. course in order to utilize his services after completion of his training. The necessity for deputing the candidate for the course is explained in the Commissioner's letter on page 1 C.F. The Council has requested permission to pay a stipend of Rs 50/- per mensem (for 10 months) to the candidate. It is stated that the rate of stipend is not excessive in view of the present high cost of living. The D.P.I. has recommended the proposal. (p. 3 C.F.) It may be mentioned that the Government have recently decided to give a stipend of Rs 50/- per mensem to candidates deputed by them for training in the B.T. or L.T. Course in order to get the right type of men and women in the Education Department.

But in G.O.No.637, Edn., dated 24-3-1948, referred to as precedent, sanction was accorded as a special case for the payment by the Coimbatore District Board of a stipend of Rs 22/8/- only to one of the permanent teachers of the District Board Elementary School for undergoing training in the B.T. Course. As the expenditure will be met by the Municipal Council from its own funds, Finance need not object to the proposal for the grant of a stipend of Rs 50/- per mensem in the present case provided E.& P.H. are satisfied that the amount is justified.
